NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 NOVEMBER 2018

Australian National University Student Media Incorporated is an association incorporated in the Australian Capital Territory under the Associations Incorporation Act 1991. The financial statements cover Australian National University Student Media Incorporated as an individual entity.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and Associations Incorporation Act 1991.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The amounts presented in the financial statements have been rounded to the nearest dollar.

The following is a summary of the material accounting policies adopted by the entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Income Tax

The Association is exempt from Income Tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institution and investments in money market instruments maturing within less than two months and net of bank overdrafts.

(c) Revenue

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Other revenue is recognised when the right to receive the revenue has been established. All revenue is stated net of the amount of goods and services tax (GST).

Grant funding revenues, which is subject to contractual grant funding conditions, are recognised proportionally as expended during the financial year in order to match the revenue with the relevant project expenditure. Any portion of grant funds which have not been fully expended during the year are recognised as unspent grant funds and shown within the balance sheet.

(d) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 NOVEMBER 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Receivables

Trade receivables and other receivables are recorded at amounts due less any provision for doubtful debts.

(f) Payables

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Association.

(g) Property, Plant and Equipment

Each class of property plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Plant and equipment

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by executive officers to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets including plant and equipment and capitalised leased assets, but excluding freehold land, are depreciated over their estimated useful lives to the Association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates and useful lives used for each class of depreciable assets are:

Class of fixed asset Plant and equipment Depreciation rates

10 -- 66.67 %

Depreciation basisDiminishing Value

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and

(h) Impairment of Assets

At each reporting date, the Association reviews the carrying values of its tangible assets and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(i) Critical accounting estimates and judgments

losses are included in the income statement.

The Association's management evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

Key estimates – Impairment

The Association assesses impairment at the end of each reporting period by evaluating conditions and events specific to the company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Provision for Impairment of Receivables

Current trade receivables are generally on 30-day terms. These receivables are assessed for recoverability and a provision for impairment is recognised when there is objective evidence that an individual trade receivable is impaired. These amounts have been included in other expense items. Impairment was not required at 30 November 2018 (2017: \$0).

Credit Risk — Trade & Other Receivables

The Association does not have any material credit risk exposure to any single receivable or group of receivables. Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Association and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Association.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN NATIONAL UNIVERSITY STUDENT MEDIA INCORPORATED

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report of The Australian National University Student Media Incorporated, which comprises the statement of financial position as at 30 November 2018, the statement of profit or loss and comprehensive income, statement of changes in equity and cash flow statement for the year ended on that date, notes comprising a summary of significant accounting policies, other explanatory notes and the Committee members' declaration of the financial statements giving a true and fair view of the financial position and performance of the Association.

In our opinion, the financial report of The Australian National University Student Media Incorporated is in accordance with the Associations Incorporation Act (ACT) 1991 including:

- i. giving a true and fair view of the Association's financial position as at 30 November 2018 and of the performance for the year ended on that date; and
- ii. complying with Australian Accounting Standards to the extent described in Note 1, and the Associations Incorporation Act (ACT) 1991.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the Auditor's Responsibility section of our report. We are independent of the Association in accordance with the requirements of the Australian professional ethical pronouncements. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Other information is financial and non-financial information in the annual report of the Association which is provided in addition to the Financial Report and the Auditor's Report. The committee members are responsible for Other Information in the annual report. The Other Information we obtained prior to the date of this Auditor's Report was the Committee members' Report, no other Information will be provided. Our opinion on the Financial Report does not cover the Other Information and, accordingly, the auditor does not and will not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. We are required to report if we conclude that there is a material misstatement of this Other Information in the Financial Report and based on the work we have performed on the Other Information that we obtained prior the date of this Auditor's Report we have nothing to report.

Committee's Responsibility for the Financial Report

The committee members of the Association are responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN NATIONAL UNIVERSITY STUDENT MEDIA INCORPORATED

In preparing the financial report, the committee members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the council members intends to wind up the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Report

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial reports. As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

The procedures selected depend on the auditor's judgement, including assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee members, as well as evaluating the overall presentation of the financial report.

We conclude on the appropriateness of the Committee members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reports or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We obtain sufficient appropriate audit evidence regarding the financial information of the Association to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN NATIONAL UNIVERSITY STUDENT MEDIA INCORPORATED

We communicate with the Committee members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
